

# COME HOLY FIRE OF LOVE

---

Lyrics: Phil Thomson

Oh Holy fire of love  
come burn within my heart  
and by Your Spirit purify  
my life in every part.

Come rest upon my soul  
Oh gentle dove of peace  
that by Your touch my captive heart  
shall rise in sweet release.

Oh cool refreshing stream  
I cannot drink enough  
come fill each moment of my life  
with overflowing love.

Oh let Your breath of life  
come sweeping through my soul  
that held within Your mighty arms  
I shall be fully whole.
