

# SPIRIT AND FLAME

---

Lyrics: Phil Thomson

Spirit and Flame, You are the Lord  
of all that I behold  
come now and dwell within my heart  
and make me fully whole

Fountain of light, oh Spirit wind  
my perfect Holy Dove  
come and inspire this waiting child  
with everlasting love

Lord of my life, enfold me now  
surrounding every part  
that all the world may see in us  
a harmony of hearts

Spirit and flame, Your Holy Name  
is love which will endure  
come live forever in my heart  
I am forever Yours
